TURKUAZ OTOMOTİV, üretimlerine işinde uzman, yenilikçi bir ekiple OEM ve yan sanayinin, otomotiv civataları ve bağlantı elemanları ihtiyaçlarına hızla cevap verebilen, kalite ve güven prensiplerinden vazgeçmeden devam etmektedir.

TURKUAZ OTOMOTİV, mekanik ve havalı süspansiyon sistemlerin U-Civataları, Makas Saplamaları, Makas Per-noları, Şase civataları ve her türlü özel civataların üretimini yapmaktadır.

Üretimi yapılan **otomotiv civataları** ve **bağlantı eleman-ları**; ağır ve hafif ticari araçlar, otobüsler, dorseler, çekiciler, kamyonlar gibi çeşitli araçlarda kullanılırken aynı zamanda makas, dingil, şase, tarım araçları ve iş makineleri üreticil-erine de hitap etmektedir.

TURKUAZ OTOMOTİV, üretiminin yaklaşık yarısını yurt-dışına ihraç etmekte ve bu oranı daha da artırmak için var gücü ile çalışmalarına devam etmektedir.

Önce Kalite; anlayışı ve esnek üretim kabiliyeti sayesinde müşterilerinin isteklerini en hızlı şekilde karşılayan **TURKUAZ OTOMOTİV**, geçmişten günümüze kadar yarat-tığı güveni ve istikrarı daha ileriye taşımak için tüm gücüyle çalışmaktadır.

“Önce Kalite” anlayışı ile başladığımız yolculuğa Kaliteden ödün vermeden, **Yenilikçi ruhumuzla devam ediyoruz...**

TURKUAZ AUTOMOTIVE is a leading manufacturer of automo-tive bolts and fastening components, combining its long-stand-ing manufacturing experience with a dynamic and innovative new-generation approach. With strong confidence in its brand, the company reflects this trust to its customers through high-quality products and reliable services.

With an experienced, professional and innovative team, **TURKUAZ AUTOMOTIVE** continues its production activities by responding quickly to the automotive bolt and fastening com-ponent requirements of both OEM and aftermarket industries, without compromising its principles of quality and reliability.

TURKUAZ AUTOMOTIVE manufactures U-bolts for mechanical and air suspension systems, leaf spring studs, spring pins, chas-sis bolts, as well as a wide range of custom-designed bolts.

The automotive bolts and fastening components manufac-tured by the company are used in a wide variety of vehicles, including heavy and light commercial vehicles, buses, trailers, tractor units and trucks. The company also serves manufactur-ers of leaf springs, axles, chassis systems, agricultural vehicles and construction machinery.

TURKUAZ AUTOMOTIVE exports approximately half of its production to international markets and continues to work with determination to further increase its export volume.

Thanks to its **“Quality First”** philosophy and flexible manufac-turing capabilities, **TURKUAZ AUTOMOTIVE** responds to customer requirements quickly and efficiently. The company continues to work with dedication to carry the trust, reliability and stability it has built over the years even further into the future.

We continue the journey we began with the philosophy of “Quali-ty First”, never compromising on quality and moving forward with our innovative spirit.
